Name of the School/Institute/Research Center/	School of Nursing and Midwifery, TUMS
Hospital/Other	
Program Title	Fundamentals of Nursing Informatics
Program Description	The first Series of Nursing Informatics educational online short course to enhance your knowledge about the application of informatics to improve nursing care outcome. If you want to know why nurses should be empowered on nursing informatics field, attend this program. Completion of this program will be considered equal to one-credit of a Master degree in Nursing Informatics program for the students who accepted to the NI Master of Science at Tehran University of Medical Sciences.
	Definition of Nursing Informatics (NI)
	. ,
	Historical Context of Nursing Informatics Introduction of Basic Concepts of Nursing Informatics
	The Required Competencies of Nursing Informatics
	NI Standardized Terminologies, NIC, NOC, NANDA, CCC
Program Objectives	Applications, Opportunities and Challenges of NI
5	Preparing for the Future of NI
	Future Perspectives
	Trend of NI publications and prolific countries
	Nursing Informatics Paradigm Shifting
Method of Instruction	Virtual LectureDiscussion
